You just add hot water, and it just keeps tea going. Even if we're not making tea, it's a really great idea to have tea in your pantry. I'm just going to see where there are some of those free ones. -I have one of those small little loaves of butter. I'm just going to take this, remove the crust. You can just pull it apart. It's lovely to have something like that to have in your pantry. I don't know if they're going to have something like that at your store, but I do know that they sell cheese, and they have sour cream towards the end of the week. -Stands in your pantry and it's got a little bit of everything. Every time you get an order of something, it's always really handy to have like a bread around because you want to keep it fresh but also you want to take your time with it and you want to eat it at the right time and you don't want it to go too far. -I think 0cc13bf012
